SUMMARY

What constitutes a good level designer? I would mix a nurse's holistic overview, an athlete's mental tenacity, and a musician's joy of creation and collaboration.

I strive to work with creative people, believing firmly in greatness as an emergence of teamwork, and I'm now seeking internship from September to April. Let's make something fantastic!

EDUCATION

LEVEL DESIGN - HIGHER VOCATIONAL DEGREE

THE GAME ASSEMBLY | 2023-2026 (EXPECTED GRADUTATION)

- Planning, producing and presenting playable levels; delivering 7 games and working in both third-party and in-house game engines

ACADEMIC STUDIES: BIOMEDICINE AND NURSING

LUND UNIVERSITY | 2016-2021

- Researching, explaining and communicating complex theories to wider audiences

WORKLIFE EXPERIENCE

PAEDIATRIC NURSE

Skånes Universitetssjukhus, Lund | 2021-2023

- Relevance: Team Communication and Customer-Tailored Explanations; Prioritization of Tasks and Conscientiousness in Execution; Handling Deadlines and Stress

ASSORTED EMPLOYMENTS

Service and Restaurant Industry | 2015-2018

- Relevance: Maintaining routines and problemsolving; team interdependence
